**WORKING BEE:** Sunday 14<sup>th</sup> April 2013 commencing at 2pm

The colour bond fence on the Northern side of the club has been removed during the past week.

Before the 3rd lawn can be established we need to clear the old garden bed, the seat and pavers, and have a general tidy up of the area.

The pine logs will be re-located with the hope of being able to utilise them later once we know what space is available for new, but small, garden beds.

A few other small jobs are also on the list.

Many hands make light work and with the weather forecast for sunny weather a great opportunity to tend our garden and “fingers crossed” lawn sown before winter sets in.

A BBQ will be held afterwards to provide sustenance.

**NEXT COMMITTEE MEETING** Saturday, 4<sup>th</sup> May at 11.15am at the clubhouse.
