November 2015 Newsletter No. 217

LIGHTS, PAINT, ACTION With There has been action aplenty in, around, and even on the clubhouse during the past month. AC Electrics has completed the installation of two floodlights on the clubhouse that provide basic lighting for lawns 1 and 2. The switch is located on the junction box in the mallet room. A timer and sensor has been included to ensure the light doesn't come on in daylight and is not left on inadvertently.

Michael Leddin has been busy painting the exterior of the clubhouse and should finish within the next week, weather permitting. Ian Hayes' handiwork is now on display in the mallet room, keeping our mallets in order.

CONGRATULATIONS Gerry Arbuckle and Eileen Zurbo on winning the 2015 GC Doubles competition. In what was a close competition they scored 34 points with the runner-up, Len McCallum and Val Chapman scoring 31 points.

CHRISTMAS PARTY

This year's Christmas Party will be on Sunday 22 November commencing at 6pm to coincide with a celebration of 'turning on the lights'.

The cost will be \$10 per person to cover the cost of BBQ. Members are to bring either a salad, sweet, cheese, bikkies, nuts, xmas lollies, etc. Please put your name on the list at the clubhouse to indicate your intention to attend and what you will be bringing.

SECURITY On two separate occasions in the past 2 weeks (discovered on a Tuesday evening and a Wednesday evening) the outside equipment cupboard has been left unlocked. Fortunately we have not had any equipment stolen or damaged. Whilst the club has insurance, the number of times the equipment cupboard has not been secured properly is disconcerting.

The replacement value of the balls and hoops alone would be upward of \$7,000.

As a club we have made significant investments in our facilities and equipment.

Please be diligent when leaving the club and ensure the equipment cupboard and clubhouse are locked properly.

STARTING TIMES The club starting times, until the end of Daylight Saving, are now as follows;

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
AM	AC – 9.00am	##	GC – 9.30am		##	AC & Gateball 9.00am	
PM		##			##		
Evening		AC 6.00pm			GC 6.00pm		

It would be appreciated if players arrived 15 minutes prior to the start to set up lawns and so a draw can be completed efficiently.

Our groundskeeper requires 2 days each week to maintain the lawns throughout the warmer months.

CLEANING ROSTER If you are unable to clean when rostered please swap with someone else.
